**Humanitarian, commercial and individual crossings are allowed.**

Permission from the authorities (the deputy or district governors) is required for every movement.

The data for this map has a limited number of sources, including inner and outer border actors. The data has not been independently verified by third party and is subject to errors or omissions. Due to fluidity of the conflict status is likely to change. The status of the crossing points represents the status for humanitarian shipments.

**Crossing points status definition:**

- **Open:** Humanitarian, commercial and individual crossings are allowed. (no need to obtain permission for every movement taking place, regulations are flexible and long term permissions can be obtained - i.e. staff crossing list for one year)
- **Limited:** Permission from the authorities (the deputy or district governors) is required for every movement.
- **Closed:** No movement allowed
