Designations and geography used in this infographic do not imply endorsement by the United Nations.

This 3W Operational Presence Infographic shows the presence of organizations with ongoing projects and existing implementing partners or staff on the ground.

Creation date: 19 July 2017
Sources: Clusters Feedback: ochayemen@un.org. More information: unocha.org/yemen.

The Logistics Cluster supports inter-agency logistics coordination, establishing hubs in Yemen and Djibouti, and providing information management, (including GIS services), to 38 organisations. In addition the Cluster facilitates access to storage and WFP-managed fuel distribution points in Sana’a, Aden and Al Hudaydah for 33 organisations and access to cargo transport.

The Emergency Telecommunications Cluster is supporting Humanitarians in Aden, Al Hudaydah, Ibb, Sana’a and Sa’ada governorates with much needed security telecommunication, including Communication Centres, IT support and connectivity and power charging stations.

(1) This 3W data does not reflect Red Cross, Red Crescent or MSF activities with the exception of Qatar RC which is included in this report.

(2) Grand total includes unique organizations, while organizations may be present in multiple clusters.

(3) The Child Protection and Gender Based Violence sub-clusters are represented within the Protection Cluster.
